Programme highlights:

With the sudden collapse of a building at Ma Tau Wai Road in To Kwa Wan, the concern of Building Safety and Maintenance has been a spot-light topic in the society. In view of providing more details on building inspection and potential maintenance works to be carried out, this conference aims to provide a platform for engineers and all construction industry professionals to share their views and experience in the aspects of building inspection including Building Structural, Safety and the New Ordinance - Buildings (Amendment) Bill 2010.
