Programme highlights:

With the sudden collapse of a building at Ma Tau Wai Road in To Kwa Wan, the concern of Building Safety and Maintenance has been a spot-light topic in the society. In view of providing more details on building inspection and potential maintenance works to be carried out, this conference aims to provide a platform for engineers and all construction industry professionals to share their views and experience in the aspects of building inspection including Building Structural, Building Safety and the New Ordinance - Buildings (Amendment) Bill 2010.

Who Should Attend:

Engineers, Surveyors, Safety Practitioners and all Construction Industry Professionals

The Speakers and Topics

1. Mr. CHOW K.P. Alex, Assistant Director of Buildings Department, HKSARG
Topic: “Buildings (Amendment) Bill 2010 – Mandatory Building Inspection Scheme & Mandatory Window Inspection Scheme”
2. Mr. TAM Tai Keung, Senior Divisional Officer of Fire Services Department, HKSARG (Fire Safety Command)
Topic: “Fire Safety in Building”
3. Ir Prof. CHAN K.W. John, Adjunct Professor of Department of Building & Construction, City University of Hong Kong
Topic: “Common Building Defects”
4. Dr. Lai H.K. Joseph, Assistant Professor of Department of Building Services Engineering, The Hong Kong Polytechnic University
Topic: “Regulatory Controls on Building Services Works”
