Event Report

The “Risk Management and Safety Seminar” was successfully held on 22nd September 2012 at The Hong Kong Polytechnic University. There were 82 applicants and they were respectively come from different specialists in engineering. Every attended applicant got a 3-hour CPD certificate.

The seminar was jointly organized by “The Chartered Institute of Logistics and Transport in Hong Kong”, “Hong Kong Association of Risk Management and Safety”, “Institution of Occupational Safety” and “Community & Construction Professionals' Development Centre”. “Shipping Research Center” of The Hong Kong Polytechnic University was the sponsoring organization.

We invited Mr. YU shu-xi, the president of Guangzhou Safety Production Administration Association, to be the seminar speaker. Mr. YU works on improving safety production for a long time, he strives for implementing laws and policies in occupational safety and health. In 2011, Mr. YU was recommended to be the first Chinese honorary vice president of the Institution of Occupational Safety and Health (UK).

In the seminar, Mr. YU talked about the safety production targets and the requests of Guangdong Province Government. He was not only explaining the reasons why the Guangdong Province Government carries out “One post, two responsibilities (一崗雙責)”, but also its meanings and purposes. He mentioned about the requests of corporate responsibilities in safety production, the measures of upgrading facilities of safety production protection and management quality.

Afterword there was a lunch meeting with Mr. YU at 4/F Communal Building, The Hong Kong Polytechnic University.
